

Tiny6410

Port E

RJ45

Prototype Board

```
graph LR; A[Tiny6410] --- B[Port E]; B --- C[RJ45]; C --- D[Prototype Board];
```

The diagram illustrates a network connection. On the left, a box labeled 'Tiny6410' is connected to a vertical box labeled 'Port E'. A wavy line extends from 'Port E' to the right, passing through the label 'RJ45' and terminating at a box labeled 'Prototype Board'.
